

The Minnesota D.A.R.E. (Drug Abuse Resistance Education) program has long been much more than just a curriculum. Our well-trained, well-respected D.A.R.E. officers are committed to the health & safety of our Minnesota children. These dedicated officers provide our children with a positive relationship with law enforcement, a friend for parents and children to turn to on important health & safety issues, and a valuable information source on tough topics.

The D.A.R.E. curriculum provides students with a strong, prevention base. D.A.R.E. has parent, educators, law enforcement and public support; provides community involvement; and combines them to provide a "safety net" for young people. Minnesota D.A.R.E. has utilized this foundation to attack the growing problems of tobacco, alcohol, methamphetamine and other drugs, bullying, Internet Safety, gangs and violence; prescription drug abuse; and other health & safety issues.

Minnesota D.A.R.E., Inc. Mission:

Minnesota D.A.R.E., Inc. is the governing body of the D.A.R.E. program in Minnesota. Its purpose is to educate and advocate for the safety and well-being of our Minnesota children through collaboration with law enforcement officers parents, schools, and community.
